SAFE TO BE BOLD

Comfortable & Robust

The **SeaWell 290CC** has great performance that exceeds all expectations. This highly versatile vessel features a spacious deck with numerous storage compartments, a generously proportioned head, flawlessly engineered hydrodynamic lines, and impeccable finishing. Meticulously designed to prioritize comfort, safety, and superior performance across diverse weather conditions.

WHY SEAWELL?

BUILT TO LAST

At Seawell, we take boat building to the next level with **double laser precision!** Our hulls are perfectly molded, **minimizing vibrations** and giving your boat an extended life.

Now, the only thing you need to worry about is planning epic fishing trips—**leave the boat worries to us!**

MADE BY FISHERMEN

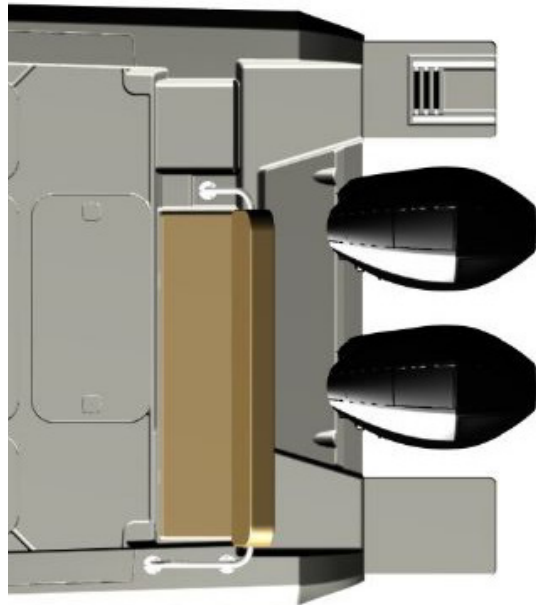

We are committed to addressing your every fishing requirement with precision and expertise.

Our dedication ensures that your maritime experiences are not just met but surpassed. Trust us to enhance your fishing journey.

EXCELLENCY & SAFETY

More than a Shipyard, we're a fishing family prioritizing your safety out there on the water.

Our commitment to **continuous improvement means each boat we craft is better and safer.** Join us, and you'll experience the difference firsthand.

SEAWELL 290CC

TECHNICAL SPECIFICATIONS

LENGTH: 29'

BEAM: 9' 5"

DRAFT: 2'

DEADRISE: 21.5°

CAPACITY: 10 day

FUEL TANK: 145 gal

WATER TANK: 26 gal

WEIGHT (NO ENGINE): 3747 lbs

HULL SHAPE

Engineered for navigating rough seas with safety, comfort, and not getting wet. With its deep-V hull design featuring inward lines, it ensures optimal performance

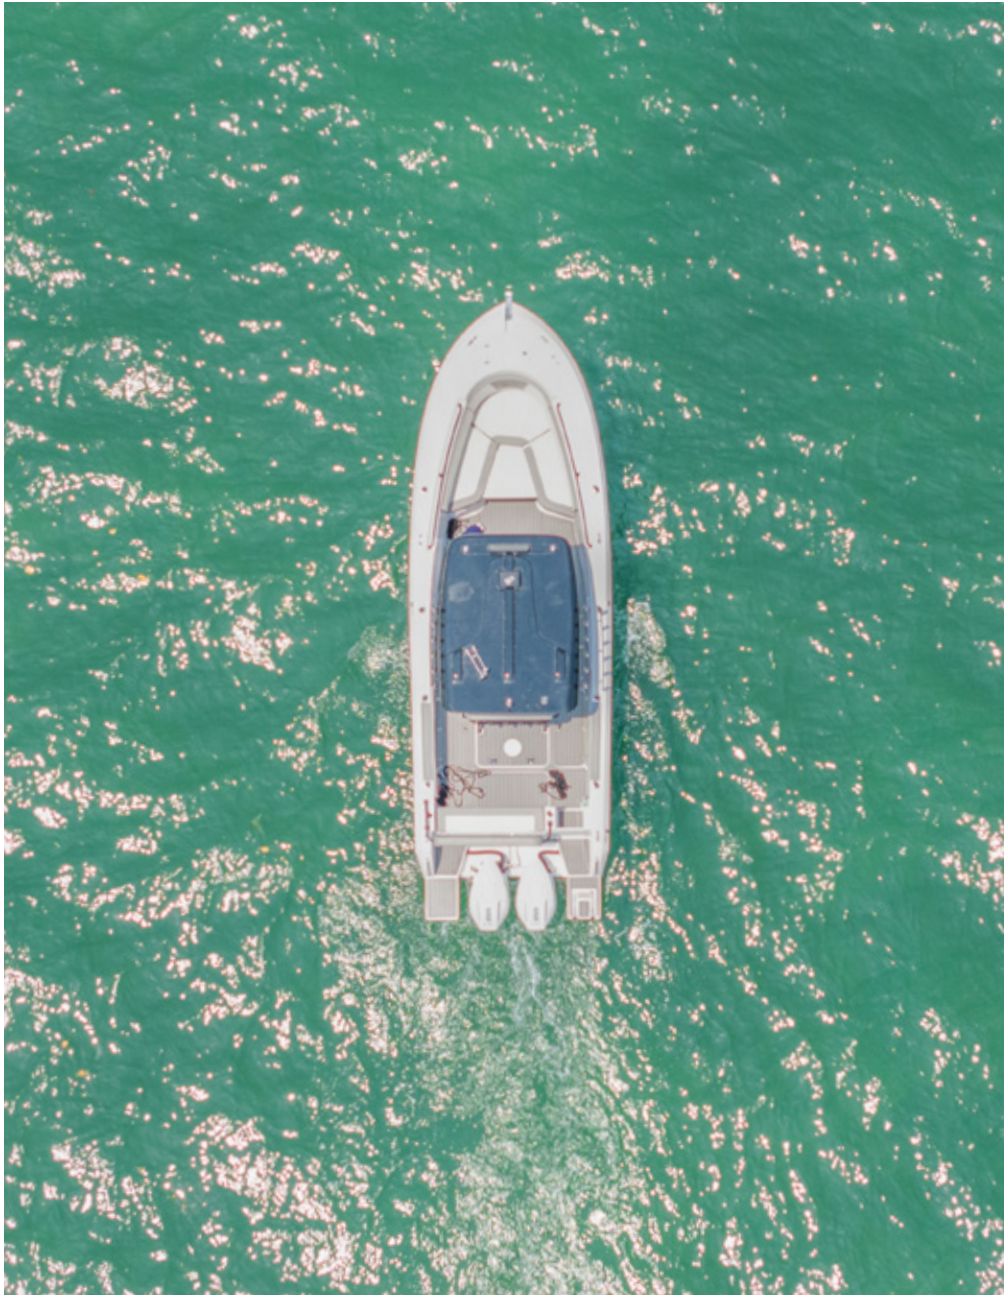

for slicing through waves, preventing water spray from reaching passengers. This design delivers an excellent balance of speed and fuel efficiency during voyages.

CENTER CONSOLE

In this center console setup, the SeaWell 290CC is an incredibly versatile vessel for fishing, diving, and leisurely cruises. You can utilize the entire deck of the boat, which features high gunwales from

bow to stern, enabling, for instance, a 360-degree fish fight around the center console. For leisurely outings, her bow transforms into a superbly upholstered and highly comfortable sun pad.

STANDARD FEATURES

STORAGE

- Central console with mold lining for perfect finish inside the bathroom,
- Acrylic windshield
- Footrest, three storage compartments,
- Acrylic access door to the bathroom with internal and external stainless steel lock, sink cabinet and generously sized compartment with acrylic door and lock, lockable trash bin, two access doors for maintenance.
