GO **BEYOND**

Explore New Waters

Embark on an adventure with the **SeaWell 345XL**,
where maximum performance meets cutting-edge
features and technology!

Our navigation design ensures a comfy and secure
ride, making it the ultimate choice for saltwater
fishing enthusiasts.

Plus, it's perfect for creating unforgettable moments
with family and friends at sea.

WHY SEAWELL?

BUILT TO LAST

At Seawell, we take boat building to the next level with **double laser precision!** Our hulls are perfectly molded, **minimizing vibrations** and giving your boat an extended life.

Now, the only thing you need to worry about is planning epic fishing trips—**leave the boat worries to us!**

MADE BY FISHERMEN

We are committed to addressing your every fishing requirement with precision and expertise.

Our dedication ensures that your maritime experiences are not just met but surpassed. Trust us to enhance your fishing journey.

EXCELLENCY & SAFETY

More than a Shipyard, we're a fishing family prioritizing your safety out there on the water.

Our commitment to **continuous improvement means each boat we craft is better and safer.** Join us, and you'll experience the difference firsthand.

HULL SHAPE

The commanding “V”-shaped hull, **skillfully crafted to slice through water even in challenging conditions**, distinguishes our SeaWell 345XL as an unparalleled oceanic vessel.

A photograph showing the interior of a boat's cabin and head. In the foreground, there is a stainless steel sink with a chrome faucet on a dark countertop. Behind the sink, a curved seating area with white cushions and a yellow pillow is visible. The ceiling has recessed lighting and a circular hatch. To the right, a white toilet is partially visible. The overall space is clean and well-lit.

CABIN & HEAD

In its class, the **SeaWell 345XL** stands out by offering a dedicated cabin, ensuring a comfortable space for a **restful night during your fishing expeditions.**

Successfully combined secure navigation with the comfort of a **true sport fishing boat**, providing the **space and comfort of a walk-around.**

STANDARD FEATURES
